Agenda of Sikh intellectuals meeting

Empowering the Sikh Community in Punjab: Promoting Equality, Education, and Employment

Honorable Sikh brothers and sisters of Punjab,

Waheguru ji ka Khalsa, Waheguru ji ki fateh.

As the Chairman of the National Commission for Minorities and a proud Sikh, I stand before you today with a sense of duty and purpose. Our community in Punjab faces challenges of insecurity, discrimination, and inequality, and it is our collective responsibility to address these issues.

As Sikhs in Punjab, we are blessed with the legacy of Guru Nanak's concept of "Angal," which emphasizes the importance of selfless service, compassion, and righteousness.

However, we must also acknowledge the political and religious developments that impact our community in Punjab.

In a democratic setup, the will of the majority is crucial, and we must work towards inclusive progress, avoiding separatist tendencies that can divert our human and economic resources in Punjab. We must be vigilant against inimical forces that seek to harm India and, by extension, our Sikh community in Punjab.

To emerge as a strong political force in Punjab, we must:

- Unite and consolidate our efforts
- Engage in constructive dialogue and collaboration
- Develop a clear vision for our community's future in Punjab

To train and employ our youth in Punjab, we must:

- Invest in education and skill development programs
- Foster entrepreneurship and innovation
- Provide access to gainful employment opportunities in Punjab

To promote religious and modern education in Punjab, we must:

- Support institutions that offer holistic learning experiences
- Encourage critical thinking and intellectual curiosity
- Integrate Sikh values and principles into our educational framework in Punjab

Let us leverage all available government schemes to promote education and employment within our community, including:

- Scholarship programs for students
- Skill development and vocational training
- Entrepreneurship and self-employment schemes
- Job fairs and placement drives

I appeal to our foreign-based Sikh brothers and sisters to contribute to our community's growth in Punjab by:

- Supporting education and industrial ventures in Sikh-dominated areas of Punjab
- Sharing their expertise and resources to uplift our community in Punjab
- Promoting unity and cooperation, rather than divisive ideologies

At present, Sh Narinder Bhai Modi Government at the centre have special affection for Sikh Community and have done 29 work for this community during the last 10 years. They are ready to do more but there should be good response from the beneficiaries also

Let's discuss these issues and find a way for development.

Thank you.

Waheguru ji ki fateh.
